

Pinnacle®

NEEDLE-LOC NEEDLE PROTECTOR

Protect and Stabilize Localization Needles

When physicians require the needle or cannula remain in the breast after localization procedures, Pinnacle needle-loc needle protector helps protect against movement or accidental dislodgement.

The Professional Alternative to Coffee Cups and Tape

- ◆ **Protects and Stabilizes**—Sturdy construction easily withstands accidental bumps
- ◆ **Stays Securely in Place**—4 self-adhesive tabs help assure no movement during transport
- ◆ **Keeps Needle Visible**—Peek-through windows provide peace of mind needle is secure
- ◆ **Saves Time**—Intuitive design makes Pinnacle easy to apply and easy to remove

Let Pinnacle needle-loc needle protector help you demonstrate your extra level of care.
